PROFESSIONAL SUMMARY

Results-oriented Indirect Tax Manager with 10+ years of progressive experience in EMEA VAT compliance at EY Global Delivery Services, advancing through six promotions from Staff to Manager. Skilled in managing high-volume compliance cycles — providing final sign-off on 60–70 VAT returns monthly as VAT Controller and overseeing quarterly reviews of 100+ filings across 19+ jurisdictions. Manages a 15+ member team and a portfolio of client engagements, each exceeding 10,000–15,000 hours of book of business, with a strong record of strengthening delivery through standardization and automation. Recognized as France Country Champion and a trusted trainer to 30+ professionals across clients and internal teams.

PROFESSIONAL EXPERIENCE

ERNST & YOUNG LLP (EY Global Delivery Services)

Bengaluru, India | Sep 2015 – Present

Career progression: Staff → Advanced Analyst → Senior → Assistant Manager → Manager (advanced through three manager grades: 2021, 2023, 2025)

Manager, Indirect Tax Compliance

2021 – Present

- Manage a **15+ member VAT compliance team** delivering return preparation, review, sign-off and filing across **19+ EMEA countries**, while personally counselling ~10 professionals on performance and development.
- Serve as **VAT Controller** throughout the Manager tenure, with final sign-off on **60–70 VAT returns per month**; oversee quarterly filing-status reviews spanning **100+ returns** across monthly, quarterly and annual frequencies.
- Own relationships across **multiple client engagements, each exceeding 10,000–15,000 hours of book of business**, tracking deliverables and timelines to consistently meet statutory deadlines.
- Coordinate with EY local offices and client teams across nearly all EU jurisdictions plus Switzerland and Norway for return submissions, technical queries and corrections.
- Support **tax authority audits** end-to-end — compiling documentation, preparing corrections and drafting responses to authority queries.
- Standardizing the Desktop Review procedure through an automated dashboard, improving review consistency and visibility for senior management.
- Manage engagement financials — PO management, invoice tracking, internal costing and management reporting trackers.
- France Country Champion**: train teams on country-specific VAT requirements and deliver client and engagement trainings on EY tech platforms. **Trained 30+ professionals** across clients, peers, counselees and new joiners.

Assistant Manager, Indirect Tax

2019 – 2021

- Performed a dual **Reviewer and Assistant VAT Controller** role — reviewing EMEA VAT returns for technical accuracy and supporting controller sign-off and submission.
- Partnered across domains and countries to **build a unified client workspace**; led client transitions and delivered engagement-specific trainings to new team members.

Staff → Advanced Analyst → Senior Tax Analyst

Sep 2015 – 2019

- Prepared and reviewed VAT returns for **10 EMEA countries**, progressing from preparer to reviewer within four years and earning three promotions.
- Built graphical dashboards for analysis and reporting of VAT return data.
